

Prospective Non-Matriculating Students Information Sheet

This sheet has been prepared for students interested in taking courses in the Department of Counseling, School and Educational Psychology (CSEP) who **have not been formally accepted** to a program.

Students interested in taking classes in CSEP on a non-matriculating basis must complete an online application for non-degree students that can be found at <http://gse.buffalo.edu/csep> In addition to the online application, proof of a bachelor's degree is required. Prospective students are required to obtain approval of the instructor of the desired class. Students can take up to 12 credits as a non-matriculated student.

Non-matriculating students are allowed to enroll in the following courses:
