

Department of Counseling, School, and Educational Psychology

PROSPECTIVE NON-MATRICULATING STUDENTS INFORMATION SHEET

This sheet has been prepared for students interested in taking courses in the Dept. of Counseling, School, and Educational Psychology (CEP) who *have not been formally accepted* to a program. CSEP offers masters degrees in Educational Psychology & Quantitative Methods, Mental Health Counseling, Rehabilitation Counseling, School Counseling, and School Psychology and doctoral degrees in Counselor Education, Counseling/School Psychology and Educational Psychology and Quantitative Methods.

Students interested in taking classes in CSEP on a non-matriculating basis must complete an online application for non-degree students that can be found at <http://gse.buffalo.edu/csep> In addition to the online application, proof of a bachelor's degree is required.

Mental Health Counseling	Dr. Janikowski	tjanikow@buffalo.edu	645-1122
